# Events Calendar

**Author Event: Peter Keim** - Local Author Peter Randolph Keim will be doing a reading from his Jesse Cramer Mystery Series, as well as a discussion and signing at the Library. Three of his books take place in a town that sounds suspiciously like the town we live in.... Yes, Concrete! You will definitely recognize landmarks and people! How cool is that?! Join us on October 20<sup>th</sup>, 3:30pm at the library. If you can't make it, you'll find his Concrete Ghost Walk novels at the library. This event is free and open to the public. Be advised: may be scary content for young ones.

**Author Event: Lauren Danner** - Lauren Danner, PhD, is a writer and historian based in Olympia, Washington. She focuses on public lands policy, Pacific Northwest and environmental history, and outdoor recreation. A former college professor, museum director, and Washington State field coordinator for the Lewis and Clark bicentennial, she now writes at [laurendanner.com](http://laurendanner.com). Join us on November 3<sup>rd</sup> at 3:30pm in welcoming Lauren as she reads from her book *Crown Jewel Wilderness: Creating North Cascades National Park*. This event is free and open to the public!

**Skagit Reads** - Upper Skagit Library is participating in **Skagit Reads** again this year. What is Skagit Reads?
